

New RCMP Detachment Antigonish, Nova Scotia

Total Area 1063 m²
Construction Cost \$1,580,000.00
Project Completion 2000
Client
... Public Works & Government Services Canada
Architect S P Dumaresq Architect Ltd.
Electrical Consultant
..... F.C. O'Neill, Scriven & Associates Ltd.

The RCMP Detachment includes 150 m² of security confinement accommodation, plus 913 m² of regular detachment administration and support space. This project is indicative of a significant portion of the work carried out by F.C. O'Neill, Scriven and Associates. While larger projects often receive more recognition, these smaller projects present many of the same challenges, both of a technical nature, and working with clients and other members to co-operatively achieve a suitable end product, on time and on budget.
